#### **Tours/Rental Sheet**

##### **Shell Beach Cave Adventure**- \$70.00

Leave the pristine beaches of Shell Beach and move out past the surf zone to the lush kelp forests you will be greeted to a view like none other! The otters drifting along the coast along with the harbor seals playfully swimming near, you will be amazed at the diversity of different kayak environments that await you. Paddle secluded coves and explore the many sea caves that make up the Dinosaur Cave area, this is a tour you will not want to miss. Our knowledgeable guides offer marine ecology, geology along with cultural history along the way. All skill levels welcome!

Duration: 2-3 hours/Ages 9 and over

##### **Port San Luis Adventure Tour**-\$70.00

Explore and learn about the scenic Port San Luis Harbor in this fun tour. Mainly a flatwater paddle inside the harbor, you will launch from the Port San Luis Beach and travel along the coastline where you will be greeted by otters, sea lions, harbor seals and a multitude of bird life. You will also learn more about the Pillow Lava outcroppings that is so unique to this area of California and the native Chumash tribes and how they used this area. Also, learn more about the unique history of Avila Beach and what makes it such a desirable tourist destination.

Duration: 2-3 hours / Ages: 7 and over

##### **Fossil Point Adventure Tour**- \$70.00

Located at the far southern end of Avila Beach is Fossil Point. Begin your tour on the Port San Luis Beach where you will launch into the calm waters of the harbor. Travel south, past Avila Beach Pier and there you will be treated to the rocky outcroppings and unique sea caves of the Fossil Point area of Avila Beach. This particular tour has it all! View the abundant harbor seals and maybe even spot a sea otter or two.

Duration: 2-3 hours / Ages: 9 and over

\*All tours include all paddling gear, expert instruction, an educational experience, snack & water, PLUS, a photo CD of your experience.
